

# Friends of Waurn Ponds Creek

invites you to join us on

## National Tree Day

Sunday, July 26<sup>th</sup>

from 9.00 am – 12 noon

to help us plant approximately 2,500

trees, shrubs and grasses

on Waurn Ponds Creek reserve opposite the factories on Capital Dr. (See red dot on map.)

Access is via the walking track beside Brearly Reserve or walk down from A&L Windows.

**2015 special family activity.**

**This year we will host a special ‘Creek Critters’ display of**

- Fish
- Beetles
- Crabs
- and other examples of life in the creek

This will be an interactive display where all will be able to ‘play’ with critters who live in the creek.

A great opportunity for children (& yes, big kids) to touch and learn about life in the creek.
